

ALTON RFC MATCH DAY CAR PARKING

Convent School Car Park Entrance

Anstey Park Lane Entrance

Anstey Park Road Entrance

This page, including the map above is intended to assist club members and visitors to Alton RFC.

Limited parking is available within Anstey Park (GU34 2NB) and this is often insufficient for the needs of all Anstey Park users. Alton Convent School (GU34 2NG) have very kindly made their school car park available to Alton RFC and Alton FC to their club members and visitors during the particularly busy weekend periods. Please therefore make use of this facility when visiting Anstey Park.

Please note the Alton Convent School car park operates a one way traffic flow system and on entering the car park, vehicles should observe the signs for parking. Once parked, please walk out onto the Anstey Lane footpath and walk round into Anstey Park via the Anstey Lane entrance.

There is also additional car parking space available in Anstey Lane.

Please observe all parking signs and parking restrictions, both within Anstey Park, Alton Convent School and the surrounding roads.

Please also take great care when driving or walking in Anstey Park, Alton Convent School grounds and surrounding roads since there are often many pedestrians including young children and dogs present.
